- Safe transfer and correct positioning (with hands-on-practice) (2hrs 30mins)
- Safe use of mobility aids (with hands-on practice) (1hr 30mins)
- Effective communication with the older person (2hrs)

### **About Hua Mei Training Academy**

Tsao Foundation set up Hua Mei Training Academy (HMTA) in 1995 with the aim to promote successful ageing, provide education and skills development in elder care, and foster inter-generational understanding and relationships.

It pursues its mission through its continuous effort to develop and provide a portfolio of trainings in successful ageing. It is the first Continuing Education and Training (CET) Centre in Community and Social Services (Senior Services) sub-sector under the Ministry of Manpower's Workforce Development Agency (WDA). Our approach has always been "by practitioners for practitioners" and "by practitioners for individuals and community" to support positive ageing in the community. HMTA pursues its mission through its continuous effort to develop and provide a portfolio of courses on successful ageing. We are the first Continuing Education and Training (CET) in Community and Social Services (Senior Services) sub-sector under the Ministry of Manpower's Workforce Development Agency (WDA). Our approach has always been "by practitioners for practitioners" and "by practitioners for individuals and community" to support positive ageing in the community.

Fabian at 6593 9547,  
[fabianchong@tsaofoundation.org](mailto:fabianchong@tsaofoundation.org)

#### **\*About CTG**

CTG, or Caregiver Training Grant, is a training fee subsidy administered by the Agency for Integrated Care (AIC). An amount of S\$200 is given out in the form of training fee subsidy for caregivers for each financial year. Care recipients must be Singaporeans or Permanent Residents above the age of 65 or have a disability (as certified by a Singapore-registered doctor).
