About Hua Mei Training Academy

HMTA is a dedicated provider of training in person-centred multidisciplinary eldercare to support healthy ageing over the life stages.

Its courses for professionals and new market entrants and its consultancy services meet an urgent need for capacity-building in the eldercare sector. It also provides training to family and informal caregivers to empower ageing in place.

Known for its practitioner-to-practitioner training methodology and signature courses in team-managed primary healthcare, HMTA transmits the expertise of the Tsao Foundation, which has been providing quality integrated bio-psycho-social healthcare to older persons in the community since 1993.

Tsao Foundation's training services started in 1995. To advance opportunities in longevity, it also offers a range of courses through the Learning Room at its Community for Successful Ageing (ComSA).
