Bringing health closer to you

ComSA is opening its Hua Mei Clinic at the Whampoa CC from November 2016.

If you are above 40 years old and have difficulty with long-term health issues, make an appointment at the Hua Mei Clinic to check if its services will help you manage and improve your health.

Hua Mei Clinic – Whampoa

- » Information and referral for your health and caregiving needs
- » One-stop centre for integrated, holistic healthcare
- » Person-centred service to optimize health and wellness over time
- » Especially to help with difficult-to-manage, long-term health issues

Care Management – A part of Hua Mei Clinic

- » For your medical, social and psycho-emotional wellbeing
- » Connects you to the appropriate services and resources
- » Team-managed by nurses and social workers
- » Empowers you to age at home, in the community

Open to Whampoa residents 40 years and above who meet the health assessment criteria - check with us today!

PG and CHAS available to valid cardholders.

The Community for Successful Ageing (ComSA) co-creates a vibrant, healthy home where all ages benefit from longevity. ComSA provides not just comprehensive healthcare but pathways to growth, empowerment and participation through its healthcare services, learning opportunities and programmes like SCOPE, SWING and GAB.

ComSA Whampoa Centre is a collaborative project with and for you, in partnership with City for All Ages, Whampoa, the National Healthcare Group and numerous service providers and stakeholders.
