FINANCIAL EDUCATION FOR MATURE WOMEN IN INDONESIA
Established since 1986.

Vision: Empowering Women and social transformation for the status and role of women in society through increased access to and control over resources existing women and himself, in order to create a society more egalitarian, democratic and gender equity.

Association of PPSW consist of 4 Autonomous Organizations, namely PPSW Sumatra (Aceh and Riau), PPSW Jakarta (Jakarta-Bogor-Depok-Bekasi), PPSW Pasoendan (West Java and Banten), and PPSW Borneo (West Kalimantan)

Number of members as many as 31,288 grassroot women are incorporated in the 678 women's groups spread across 217 villages, 26 Districts, 8 Provinces.

Association of PPSW has assisted the women’s group to build cooperatives as a strategy of women empowerment. Currently, there are 57 of Primary Cooperatives and 2 of Secondary Cooperatives.
WHY 🙋‍♀️ ???

- Women’s life expectancy is higher than men by 5 years on average.
- In 2020, the number of elderly in Indonesia will be reached at 28.8 million which majority profile is women with low education, low income, and getting various diseases.
- 18.84% of women are financially literate. (Indonesia Financial Authority, 2013)
- 51% financial planning is handled by women. (Indonesia Financial Authority, 2013).
- 89% of members of Association PPSW did not have knowledge and skill on financial planning for future.
Since 2010 to 2016, Association PPSW partnered with Citi PeKa and Citi Foundation to develop a Financial Education (FE) Programme for Mature (above 40 years old) Women in 6 Provinces, namely Aceh, Riau, Jakarta, Banten, West Java, and West Kalimantan.

FE for Mature Women was a replication program from Tsao Foundation that was adapted in accordance with Indonesian women’s needs.

Program aimed to increase awareness, knowledge and skill regarding ageing and financial planning for women to prepare for a happy, healthy and prosperous old age. Thus, helping alleviate the women of PPSW from cycles of poverty.
